

Elizabeth Arden Red Door Spas and As You Wish Join Forces to Bring Spa Style to the Not-For-Profit Community

Together, we have created a calendar for 2007 to promote beauty and philanthropy within Chicagoland. Each month corresponds to a national awareness month!

Enjoy mini spa services such as a warm cream manicure, express massage, express facial, blowdry with finish & style or a makeup application. For your not-for-profit organization, this is an easy way to promote your mission and host a fabulous fundraiser!

🌀 Invite your donors... and let Red Door Spa and As You Wish do all the work! 🌀
